Profiles

LeetCode | CodeChef | Codeforces | GitHub | Portfolio

Education

Institute of Engineering and Technology (IET Lucknow) — Lucknow, UP, India
B.Tech – Computer Science (Artificial Intelligence) | ***CGPA: 9.13 / 10*** — *Sep 2023 – Jun 2027*

Government Polytechnic Bijnor — Bijnor, UP, India
Diploma – Computer Science & Engineering | ***82%*** | ***Gold Medalist*** — *Oct 2021 – Jul 2024*

Experience

Full Stack Developer Intern — July 2026 – Present
DigiGo Plus Marketing Pvt. Ltd. — *Remote*

– Developed and maintained a responsive healthcare web application using **Next.js**, **Tailwind CSS**, and **shadcn/ui**, implementing **15+ UI features** and enhancements across multiple modules.

– Integrated **10+ Django REST Framework APIs** with frontend components and the **SQLite** database, ensuring seamless data flow and improving application reliability by **20%**.

– Implemented **Zod-based client-side validation** across multiple forms, reducing invalid form submissions by **35%** and improving data consistency before backend processing.

– Resolved **20+ UI bugs**, developed new features, and participated in code reviews while managing **30+ tasks** using Git, GitHub, and Jira, improving sprint delivery by **15%**.

Projects

RailInfo | Live | GitHub

Tech: Next.js, TypeScript, Tailwind CSS, MapLibre GL, Turf.js, Zustand, TanStack Query, Framer Motion

– Built a live train-tracking web app that shows a train's real-time location on an interactive map using **MapLibre GL**, combining **4 external APIs** for location, weather, and elevation data.

– Pulls live GPS position from the **RailRadar API** and shows current weather at that spot using the **OpenWeather API**, both updating automatically as the train moves.

– Turf.js to calculate distance and direction between the train and its destination across **10+ reusable** data components.

– Using **Next.js 14** and **Tailwind CSS**; **Zustand** saves favorite trains and recent searches, with **TanStack Query** speeding up repeat lookups.

Hostly | Live | GitHub

Tech: React.js, TypeScript, Tailwind CSS, Clerk, Node.js, Express.js, Docker, AWS (ECR, ECS, S3), CI/CD

– Self-hosted deployment platform – users paste a GitHub repo URL and Hostly **automatically builds, containerizes, and deploys** it to a live production server with zero manual steps.

– Users authenticate via **OAuth or email** through Clerk and access a personal dashboard to manage all deployments, built with React.js (TypeScript) and Tailwind CSS for a responsive experience.

– Automated deployment using **Docker, Amazon ECR, and Amazon ECS**, reducing deployment effort by **80%** through containerized AWS infrastructure.

– Custom **Node.js reverse proxy** for **S3-hosted builds**, improving application response time by **30%** in production.

Technical Skills

- **Languages** : C/C++, Java, Python, JavaScript, TypeScript, HTML, CSS
- **Frameworks & Libraries** : React.js, Next.js, Node.js, Express.js, Django, Tailwind CSS, REST APIs, Zod
- **Databases & Messaging** : MongoDB, MySQL, SQLite, Redis, RabbitMQ
- **Cloud & DevOps** : AWS (S3, ECS, ECR, IAM), Docker, Docker Compose, CI/CD, Vercel
- **Tools & Platforms** : Git, GitHub, Jira, Postman, VS Code
- **CS Fundamentals** : DSA, OOP, DBMS, Operating Systems, Computer Networks, System Design (LLD & HLD), Distributed Systems

Achievements

- **LeetCode (1858)** – Achieved the **Knight** badge; ranked among the **Top 6.2%** of users globally on LeetCode; secured **Worldwide Rank 541** in Biweekly Contest 187 (31,000+ participants).
- **Codeforces Specialist** – **Max Rating 1415** | **Global Rank 1861** in Round 1037 Div. 3 (25,000+ contestants)
- **CodeChef 3-Star** – **Peak Rating 1658** | **International Rank 211** in Starters 224 (17,000+ candidates)
- **The Big Code – Google** – Selected in **Top 15,000** candidates nationwide (2026)
- **Solved 1300+ Data Structures and Algorithms problems** across **LeetCode, Codeforces, CodeChef**, enhancing algorithmic thinking and coding efficiency.
- **Gold Medalist** – Diploma in Computer Science & Engineering, awarded for academic excellence
